If your Lowe's Advantage Card purchase or order is over the minimum purchase required, you will be asked to select the offer you would like. We reserve the right to discontinue or alter the terms of these offers any time. (1) **5% Off Your Lowe's Advantage Card Purchase:** Get 5% off your eligible purchase or order charged to your Lowe's Advantage Card. 5% discount will be applied after all other applicable discounts. Offer can't be used with: any coupon; Lowe's military discount; Lowe's employee discount; Lowe's low price guarantee; Lowe's volume or special discount programs; manager discretion price adjustments; contractor packs; or any other offer which expressly states it can't be combined with any

other discount credit offer. Can't be used with the following products and/or services: extended protection/replacement plans; shipping, delivery or assembly charges; fees or taxes; gift cards; Thor, NXR, AGA, MARVEL, Bosch Benchmark, Heartland, ICON, Fisher & Paykel, Monogram, SMEG or Liebherr appliances (some brands not available in all markets/stores); Weber or Kichler products, or (2) **\*Limited Time Up to 24 Months Special Financing on your Lowe's Advantage Card purchase from 11/28/19 - 12/4/19: 12 Months Promotional Financing on purchases \$299 - \$998.99, 18 Months Promotional Financing on purchases of \$999 - \$1,998.99, or 24 Months Promotional Financing on purchases of \$1,999 or more. Minimum Monthly Payments Required.** (3) **\*84 Fixed Monthly Payments On Your Lowe's Advantage Card Purchase:** Applies to purchase or order of \$2,000 or more on your Lowe's Advantage Card. Interest will be assessed on promo purchase at a reduced 7.99% APR until promo is paid in full, and fixed monthly payments are required. Each fixed monthly payment will be approximately 1.5581% of the initial promo purchase amount, and will not be adjusted for merchandise returns which may result in paying the promo purchase in less than 84 months. The fixed monthly payment calculated may be higher than the minimum monthly payment that would be required if the purchase was a non-promotional purchase. Regular account terms apply to non-promotional purchases.

**+ESTIMATED PAYMENT INFORMATION FOR THE FIXED PAYMENT OFFER:**

The estimated fixed monthly payment shown has been rounded up to the next whole dollar and should allow you to pay the total promotional purchase amount shown in full within 84 months assuming: (A) This amount is and will be the only balance on your account during the promotional period, AND (B) You make your monthly payment by the due date each month. If you have any additional balances on your account, the monthly payments applicable to those balances will be added to this payment and may impact how payments are applied to this promotional purchase. **For New Lowe's Advantage Credit Card Accounts:** Standard APR is 26.99%. Minimum interest charge is \$2.00. Existing cardholders should see their credit card agreement for their applicable terms. Only 1 credit related promotional offer can be applied to any one item on a sales receipt. The "purchase date" for an item is the date it is charged to your account. Your account will be charged immediately for an item, unless otherwise provided on your order sales receipt. Excludes Lowe's Business Credit Accounts, Lowe's Visa Accounts and all Lowe's Canada Credit Accounts.
